Girls: Water Polo, Cross Country, Basketball, Soccer, Wrestling, Volleyball, Swimming, Track & Field, Golf, Tennis, Softball, Lacrosse, and Pep Squad.

Boys: Water Polo, Cross Country, Basketball, Soccer, Wrestling, Volleyball, Swimming, Track & Field, Golf, Tennis, Football, Lacrosse, and Baseball.

CAREER TECHNICAL EDUCATION (CTE)

CHS offers many ways for students to explore a career field before making a commitment to a college major. These students can learn job skills at a job site or in a simulated work environment. Careers such as computer technology, graphic and web designs, investments, video and television production, culinary arts, and engineering/robotics trades are explored through CTE and elective courses. All CTE courses have been approved by the University of California A-G system to satisfy subject requirements. All CTE classes award high school credits that count toward Practical and Fine Art graduation requirements.

ACADEMY OF MEDIA & ENTERTAINMENT (AME)

AME creates an interdisciplinary studies cohort for a group of students by grade level. Cohorts gain knowledge and exceed standards across a curricula of English, Social Studies, Science, and Broadcasting. While encompassing core curricula, students explore through media and experiential learning all aspects of production management, creative development, production, and post-production work with professional quality equipment and materials.

STUDENT ACTIVITIES

Calabasas High School is home to a thriving student life experience. During the school day, students are able to take a variety of electives including Yearbook, Journalism, Student Government (ASB), and Link Crew. Students are also encouraged to get involved with one of the 100+ clubs we have on campus. CHS fosters an inclusive environment which offers an abundance of opportunities for students to be a part of campus life. School dances, community projects, sports, and peer support are just a few of the ways that CHS distinguishes itself as a place that values the emotional and social needs of our students.
